

# Free All U.S. Held Political Prisoners and Prisoners of War NOW!

Friday, November 5, 2010

Noon to 2 p.m.

Across from the United Nations

Northwest corner of First Avenue & 42nd Street

On Friday, November 5th the United States will give an oral presentation on its human rights record to the Universal Periodic Review (UPR) Working Group in Geneva, Switzerland. This is an historic event and an opportunity to shine a light on human rights violations on the part of the U.S. government and the use of U.S. courts to quash dissent.

This is a solidarity call to action. Join your movement to ours. Stand in unity against repression. Join us in a world-wide demonstration demanding recognition for U.S. political prisoners, prisoners of war, and exiles.
